Boomerang Boyfriend (Boyfriend Chronicles Book 3)

Synopsis

Working with her best friend's brother at Betty's Burgers, free-spirited Delia starts to see Jack in a new light. Not only has Jack-the-Jerk turned into a hottie, he's even acting like a nice guy, who rescues dogs and knows how she likes her coffee. But if Jack is into her, then why is he keeping her a secret? Of course, if her best friend doesn't approve, Delia could lose the only family she's ever known. Seeing Delia in her retro waitress uniform throws Jack's world out of whack. She's always been just another pain in the butt little sister...not a datable female. But she's rockin' the Pie Princess tiara, and even her hot-pink striped hair is sexy. What's that about? He needs to get his head on straight, because artsy, funky Delia and her nonconformist ways don't fit in his safe and ordered world. Customer Reviews

The pairing of Jack and Delilah totally took me by surprise. We saw them fight like cats and dogs in

Zoe's book, but in this one, we see it's because they actually share a lot in common. Boomerang Boyfriend let us see a whole other side to their personalities that was really fun. I really loved seeing how similar their worlds were, and yet how vastly different they handled their life's twists and turns. The twist in this book took me totally by surprise, which is a big feat. If your looking for a cute romance, with boys that make you want to hit them with a frying pan 30% of the time, this is the book for you. It will give you high school feels and leave you with a smile.
