The Dragon's Pet (Dragon Brides Book 1)

Synopsis

When her plane goes down near the front line of the ongoing war between humans and dragons, Aria comes face to face with one of the enemy, and then the terrible beast transforms before her eyes into a huge, devastatingly handsome man. Taken captive and brought back to the dragon's lair, she quickly discovers that he intends to keep her as not only his prisoner, but his pet. Her captor wastes no time in stripping her bare, placing a collar around her neck, and putting her shamefully on display. Aria's attempts to escape are sternly punished, but even with her cheeks blushing and her bottom burning both inside and out, she cannot hide her helpless arousal as her new master takes her hard and thoroughly, enjoying her beautiful body in every way he pleases. After she learns the truth about the cause of the war, Aria is forced to question everything she was taught, and soon her former enemy has claimed her heart as completely as he has conquered her body. But when the need arises, will she do what she must to protect the one she loves, even if it means being branded a traitor to her own kind? Publisher's Note: The Dragon's Pet is a stand-alone book which is the first entry in the Dragon Brides series. It includes spankings and sexual scenes. Customer Reviews

I thoroughly enjoyed this book. Despite it being billed as erotica, the aspects of submission and slave/ownership were very mild and tastefully done. The sex was steamy, of course, but very respectfully handled. In the end (no spoilers) it's about the love story, not the sex for the hero and heroine. Well written and edited, this book definitely made me want to read more by Ms. Renard.

Almost didn't buy this one thinking I don't like fantasy that much but Loki Renard could clearly write about anything and it is hot. He is the dragon and she is his pet. Cages and collars...dominance and submission with a fantasy flair...

Absolutely loved this book. It had a really good story line and characters were great. Its a must read book for all those who love dragon stories and a bit of dominance

I truly enjoyed this book. The author has created such a wonderful storyline with genuinely believable characters. I'm looking forward to the next book!

Very clever story line. Interesting characters. Erotic sequences well written. Great conclusion. Will be reading more by this author. Can not wait!!

Great storyline and characters. I was hooked and kept guessing. Made me laugh, cry and horny all in one lol. Highly recommend

Very sci-fi-ish but well done! I will read more from this author. This was my first dragon paranormal romance and I enjoyed it...

I could not put this book down. Explicit sexual activity, thrills and chills. Kept my interest and I want to buy more.
