## Customer Reviews

I bought these to accent my mom's 80th birthday invitations as she requested angels after I had ordered her custom made invites. These worked great on the invitations and added the personal angelic touch she was seeking.

I had bought this very book of stickers years ago and was pleasantly surprised to see it on .  
Beautiful angels!

No concerns.I like this, because I can find all different angel stickers.I would tell people to order this item.

4 pages of sweet little angles. these are great! my grandma loves them when I put them on her letters I send. if you love angels or you just love the look of them, either way you're going to want to buy more than one book of these.

Love these stickers. Beautiful vintage angels! Great for putting on greeting cards etc..

They're a lot smaller than I thought, but they look Hella cute on my phone and ds.

I have used them to decorate our napkin holders at church

They are beautiful. They look nice on the envelopes addressed to my friends. Unique.
