Customer Reviews

I love these books. They make learning about history, fun! I've bought the WWI and WWII books and he even has a Christmas book. They're lots of fun and make for some great coffee table books. People love learning little tidbits of information or trivia, not to mention it's a great overview, but covers the subject better than many of our school courses ever did.

I really enjoyed this book. I'm not a lover of European history, but I appreciate it when it's engaging and fun--exactly what this book is! Great for kids and adults alike.

Just finished to read the book and, it is amazing! Very nice and interesting! Must reading book!
