Customer Reviews

I enjoy cooking in my pressure cooker, as meals turn out so tender and delicious, especially when it comes to meat recipes. I liked the recipes I found in this book, as they are diverse and mostly not requiring any weird ingredients. I tried several chicken recipes for our dinners, and my loved ones liked them, even kids. Recommended!

I've been getting into home cooking lately (just got my own place) and it's a lot of fun, but I'm working full time, so I don't have much time to devote to making my meals. This power pressure cooker cookbook lets me make myself awesome meals that are pretty much instant. It's also good for easy dinner parties.
