# Keeping Your Cool: A Book About Anger (Growing God's Kids)

## Synopsis

Stories to Encourage Positive Behavior in Small Children  
The preschool and kindergarten years are some of the most important formative years of a person's life. Habits and attitudes developed during these crucial years affect a child for the rest of his or her life. These years are also a challenging time for parents as their children test boundaries (and patience). How parents and children respond makes all the difference in the world. The Growing God's Kids series is designed to help young children understand their feelings, develop godly ways to deal with temptations, and form positive attitudes and behaviors that will serve them well in the future. In *Keeping Your Cool*, parents and children are encouraged to recognize the feeling of anger and find constructive ways to deal with it.

Discover the value of keeping your cool  
Sometimes Max gets angry. He yells at his friends, pouts when he doesn't get his way, and even hits his little brother. Everyone gets angry sometimes. But hitting or being mean is wrong, and it never quite turns out the way Max expects. . . Come and learn a better way to handle anger--God's way!  
The Growing God's Kids series helps young children learn how to deal with emotions and behaviors that are part of growing up.

We purchased this book for our seven year old to read on their own and perhaps think more clearly in their anger. It has been a great tool!

Awesome teaching tool for my 4 year old as we are doing lots of practice about appropriate reactions when upset, frustrated, sad etc.

I bought this book for my 5 year old daughter and she really like it. It is short but author did a good job with the story. I recommend this book for other parents.

Nice book

Good book. My son enjoyed it.

Love

arrived damped of some sort. the package was not damaged or wet. but the book was damped and some of the pages where stuck together.

My son is 6 and really responds to the lessons in these books.
