# Funny Food Made Easy: Creative, Fun, & Healthy Breakfasts, Lunches, & Snacks

## Synopsis

Inspiring kids to eat healthy foods with creative works of plate art and easy-to-follow instructions and illustrations. Who doesn't like to play with food? Through finished plate art, detailed step-by-step illustrations, recipes, and tips, *Funny Food Made Easy* provides all you and your kids need to make, eat, and enjoy healthy breakfasts, lunches, and snacks. Bill Wurtzel has been making these plates to teach and inspire children and families to improve their eating habits by creating meals and snacks that are not only nutritious but also fun. But these are not your mother's smiley-face sandwiches. On Wurtzel's plate-turned-canvas, carrots morph into airplanes, boiled eggs into jugglers, and pears into guitar players. As gracefully as Picasso's ceramic plates found endless forms, so do Wurtzel's portraits, which seem to grow out of almost anything—Cheerios and bananas; lox and bagels; oatmeal, blueberries, and strawberries.

Most fabulous book - I can't wait to use it with my 3-1/2 year old grandson. I bought one for his mom, too, but as a working mom, she won't have the daily breakfast, snack & lunch times I get to share with him - I'll be the fun grand-nanny & "shining star"

This is entertaining as well as creative! Always great to make food fun. Love the illustrations!

My granddaughter is learning to cook and loves to try out the recipes.

Bill and Claire Wurzel have done it again. Silly. Engaging. Beautiful. And, healthy too!

Wonderful book, wonderful service!

Kids loved it!

very cute, product as described, would order again

I use it to get ideas how to make food fun, not to follow designs step by step. Great book. Kids love to look through it and laugh.
