Angel's Bad Boy

Synopsis

So I do what my heart is telling me to do. I tighten my legs around him and slide my fingers in his thick messy hair. Ace Carter is about to find out that Angel Harper is no angel. When Ace moves into Angel's neighborhood, he realizes that there is more to Angel than what meets the eye. She has suffered through a tragic past—the death of her parents in a car accident and the abuse of an ex-boyfriend. These have made her more cautious around people. Angel instinctively pushes away Ace, as he has a reputation for being a player. But something about her draws him in and keeps him coming back to her doorstep. Will Angel finally overcome her past tragedies with Ace? Or will the bad boy plunge her deeper into helplessness? Angel's Bad Boy is more than a high school romance; it is also a story about adolescent courage. Grab your copy now!
