Customer Reviews

I got this book in time on my prime account, quality is nice and love the cover and the feel of it.

Paper is nice and bright white. Easy to color and very funny sayings. I will buy for all nurse friends. Love this book!

A fantastic adult-themed coloring book for nurses and some other medical professionals. Hilarious and adorable. This would be great as a gift!

I love this. The pages make me laugh as I color. I've been looking for a good adult coloring book and am happy with this. I received this for a discount in exchange for my honest review.

I thought this would be more like the #MomLife that had pictures, but its more like sayings.

This book is too funny! I bought one for my sister (she is an RN) for nurse appreciation week. I liked it so much that I bought several to put in our "thank you" bags for the labor and delivery nurses.

My sister in law is a new nurse and this was the perfect gift for her. Pages are bold, clear and easy to read. Very nicely made and better than expected. Great gift for any nurse in your life as they will love the humorous photos to color. Very happy with this book!

Purchased as a gift for my aunt who has been a nurse for over 30 years. She had never seen anything like it and was very amused by it. It was a great gift for her. The pages are thick enough that you can actually color them with ease. The book is not cheaply made and will hold up.

I bought this as a Christmas gift for a great friend who is a nurse; I bought it partly because I had heard her say some of the pithy remarks in the book. She liked it a lot...and I got to feel a little smug about finding a perfect little gift for her.
