The Haunting Of Seafield House

Synopsis

DOWNLOAD FOR FREE WITH KINDLE UNLIMITED or just 0.99 to own Gail wants to create some memories – if she survives the night in Seafield House it is something she will never forget. Gail Parker never believed in ghosts and yet she knows her boyfriend does. Jesse saw ghosts as a child and has spent the last decade trying to reconnect with spirits. Every haunted house he has investigate has been a hoax or he has found a logical explanation for the phenomenon. That was until he found Seafield House. Stay after dark and you will never leave. That is the legend, but Gail does not believe in ghosts. At first the house is just dark and uncomfortable and Gail has enough problems of her own. There is a secret she must tell Jesse and she promises to do so after this weekend. Only things don't go as planned. Soon she begins to doubt her own sanity. Strange noises, and draughts can be easily explained but did she really see those hands? Gail does not know if this is real or if she is hallucinating. When darkness falls Gail is trapped in the house with a lost child and she cannot find Jesse. Will they survive? Will they escape? Find out in The Haunting of Seafield House FREE on Kindle Unlimited. Customer Reviews

Paranormal investigators up against an ancient evil. Some hauntings by spirits should be left alone. Evil can reach into this world and ... but that would spoil the story. Enjoy with the lights on.

If one has read enough about hauntings, ghosts, poltergeists and esoteric matters, this book comes as a mishmash intended to frighten -- but it does not. Ghost may or may not exist -- I have come across three invisible ghosts in my life -- but ghosts do not appear, as happens here, as flesh-and-blood people who talk to you. Nuff said. This is not for the intelligent reader looking for a well-written, scary story. I did not much like this attempt and the everlasting stumbling around in a dark house which seemed to morph and sprout new doors every now and then. Clumsy story.

This was a good quick read, not too long and not too short. The story line was solid. I'll be looking for more from Ms Clark.

True to form, the story line was fairly predictable. The author did a good job of creating a very visual picture. This is an easy book to read. If cheap, I'd recommend reading it.

Keeps you on the edge of your seat! A real page turner

I found one mistake wherein the author mistakenly named someone else. But the error is so immaterial on how beautiful the story is. It made me jump on my bed because I was scared . It made me almost cry too at the end. Yeah, not all spirits are bad.

nice

I loved it! It kept me up late into the night reading!
