BB203FL - Warm-Ups And Beyond - Flute

Synopsis

Veteran middle school band director Timothy Loest has drawn from 18 years of experience to create an all-encompassing warm-up book appropriate for elementary, middle, and smaller high school programs. Its logical sequence addresses technical issues at a variety of levels. In addition to a wealth of chorales and scales, the book incorporates articulation and flexibility studies, and an in-depth glossary of musical terms, providing answers to questions posed by younger musicians. Percussion educator Kevin Lepper has added a wealth of percussion exercises that will enhance the technique of individual percussionists while developing the overall sound of your ensemble. Warm-ups and Beyond is an ideal resource for every developing library.

Thank you!!!

My daughter needed this book for band. She hasn't commented on the material. It's mainly a warm up when she plays her flute.

My Daughter teacher uses this as his warm for band. My daughter loves the ease of uses of this book.
