Customer Reviews

Peter Paul Rubens combined a rare talent for painting bold, dramatic works with social and intellectual skills that made him a diplomat, a courtier, and a friend to princes.

I've gotten two copies of this book just because of the image on the cover. Great, clear close up of the painting of his little daughter. It's a great example to show students how Rubens paints a face. The other images in the book are ok. Lots of large complicated paintings turned into small reproductions though which are hard to get much from.
