Customer Reviews

Great price for this school band required book. Even the music store where we bought our daughter's instrument said to buy the book online.

Exactly as I expected. Arrived quickly.

This Book is great, it has all the right pages and hand positioning pages are very helpful. I give this product a 5 star review because it has everything it has in the description, nothing is wrong. - :)

Perfect in every way

Exactly what my son needed at 1/5th the price of book store price.

Works well for my 10 year old girl.

Cheaper than I could find locally and shipped for free. This is the series my daughter's school uses and it seems to be working well. She is learning and progressing quickly.

It's good.
