Richard Bird has been magazine editor for Focus on Plants, The Hardy Plant, Alpine Gardening and the Alpine Gardening Society's magazine Bulletin. He has written many books on subjects as diverse as alpiners and rock gardens, lilies, perennials, kitchen gardening, organic gardening and window boxes. --This text refers to the Paperback edition.

I wish I could tell how good this book is. Now retired and finally have time to work in the garden, I need information on how to: The publisher Anness Publishing LTD (good name) should be ashamed to take the work of Richard Bird and make the book into a 7" x 6" book. The type is so small it is very hard to read, sooo back it goes. How much more would a 10" book with larger fonts cost? Made for young eyes, you know the 20 & 30 somethings who are really into gardening.
