A Lady Like No Other: A Regency Romance (Regency Black Hearts Book 3)

Synopsis

“Would my lady care to dance?” “My lady would rather eat a live chicken.” Beautiful, titled, and wealthy to boot, Lady Lydia Beaufort was expected to have a spectacular London Season. There was just one problem; the eccentric daughter of the Earl of Galway had no intention of becoming the ton’s darling. Especially if it involved humouring the awful herds of fortune hunters and greedy second sons, intent on making her their bride. All Lydia wanted was to be left alone in peace, to read her beloved Lord Byron. That is until an incorrigible rogue of a Marquess burst into her life, and turned all her ideas about love upside down. Charming, congenial, and ever so handsome, Gabriel Livingstone, Marquess of Sutherland could have his pick of any of the season’s debutantes, but the only rose he longed to pluck, was the very thorny Lady Beaufort. Just when he thinks he might finally have won her heart, fate, in the form of an Italian Count, a mischievous Gypsy and a political assassination plot, gets in his way. Can the mismatched pair find their way through all the obstacles life, and London have to offer, to find love? Read this final instalment of the Regency Black Heart Series to find out! *This is the third book in the Regency Black Hearts Series but can be read as a standalone novel. It is a clean, friends to lovers themed romance, that will bring a smile to your face and perhaps a tear or two.*

Customer Reviews

Such a great series! This was an awesome series and this book is wonderful! I love the characters and how they grow through the series. Gabe and Lydia were such great characters and was so excited to read this book and see their love grow.

"A Lady Like No Other" is a nice light read! The H and H are very likable and entertaining and their romance is very sweet. The secondary characters were interesting especially the Lady's Maid and the sister. If your interested in something fun and light look no further.

I've enjoyed this novel so much! Simply put, a well written story that is hard to put down. Characters who are interesting, fun and somewhat crazy at times. Superbly written tale of sweet love and sweeter restoration of a family. I definitely recommend!!!!

Ignore the stock cover. The lady has a sharp tongue and sharper wit. The lord loves her for them, as well as her beauty. Insert villains who cannot possibly win. Of course not. The lord wins his lady!

I read Claudia Stones book in one sitting ,it captivates from the very first line .Written beautifully ,grammatically correct and utterly captivating.

Another five stars for Claudia. Fantastic read. I really enjoy these novels and Claudia style of telling the story. Please keep them coming
