Scrabble Brand Word Guide

This book is out of print and my old copy disintegrated, so I was glad to find a used one in much better shape. Some of the words are no longer allowed, but it is still really helpful to have lists sorted by letter (x, q, etc) and by other characteristics such as "many vowels".

I have another book that is much older, but has more words listed by letters (i.e. q words, z words, etc) I just could not find that same book.

Great help in playing "Words with Friends"

Great book! Whenever the game of Scrabble is played in my home, this book is always available as a resource and reference. Besides the alpha master word list, this book lists all the words for the 'big four.' Meaning, the J, Q, X, and Z. The book separates each of the 'big four' by 3 to 7 letter words. This book also lists words with many vowels. Extremely helpful listing of words ending in A,B,F,I,O

and U. Oh, I almost forgot - there is a listing of unusual words such as obol, rotl, and umbo. Worth the money! Unfortunately, this book is out of publication. My sister is going to have to settle for a used edition.
