## Synopsis

Crockpot TODAY SPECIAL PRICE - 1001 Best Crock Pot Recipes of All Time (Limited Time Offer) Over 1,000 of Healthy and Delicious Crockpot Recipes with Easy-to-Follow Directions! The modern fast paced world we live in makes cooking a difficult task. Days go by incredibly fast with work, time spent in traffic, kids and family and sometimes mixing up a proper lunch or dinner is the last of our concerns. But don't you wish it was different? Don't you wish you could eat a nutritious meal every day without the hassle of mixing and supervising it above the stove? Let me tell you that it is possible and it has one answer - slow cooking! A crock pot resolves all your cooking problems regarding time and money and it is capable of allowing you to cook a wide range of recipes to satisfy the tastes of even the pickiest eaters. Collecting 1001 recipes between its pages, this book is an invaluable collection for both beginners and experts in slow cooking. No more blanching, boiling, simmering or roasting on the stove. Instead, just chop ingredients up and mix them in your crock pot then turn it on and allow it to do its magic! It's that simple and easy! Each recipe is straightforward and it requires easy to find ingredients, as well as some very basic cooking skills. Here's what you will find in this book:

- Amazing appetizers
- Rich and nutritious main dishes (vegetarian, chicken, pork and beef)
- Luscious desserts
- Delicious beverages

Wait no more! Grab your copy today and change your life style and diet for good! No more junk food, no more extra money spent on restaurants, no more food that has no nutrients! Instead

## Customer Reviews

This is a treasure chest of recipes, all for under a buck! What a value. Now I seldom use recipes exactly as written, so what I see here are three years worth of ideas and I can't wait to try some of them. The contents works fine if you just identify the location where it starts and you can jump back there at any time. The one criticism I have is the recipes appear to be pretty light on seasonings, so that is the biggest change I will make trying these. But all this for a buck is five stars.

We just got a new crock pot at the holidays last year and it didn't long for us to exhaust the recipes that came in the included cookbook. We love a variety in our diet and it's always nice to throw a bunch of ingredients into the cooker in the morning and come home to the delicious smells at the end of the day. Emma Katie's new "1001 Best Crock Pot Recipes of All Time" has literally given us a lifetime of recipes and we are loving the variety here. All very easy to follow and so varied, we have been using the crock pot almost every day now. We've made about four different varieties of chicken wings, several soups, Creole chicken, and even a couple of desserts. Love the clickable table of contents at the beginning that makes navigation so simple. Definitely recommend.

Worst cookbook I ever bought. Recipes may be ok but organization is awful. No index. Contents is by page. Very loose subject headings but must go through entire contents to find them. Sorry I bought it.

nice cookbook will use it in the near future

It's doesn't have as many recipes I like.

So many great recipes! Thanks to the sellers for the quick arrival of the book.

I never write reviews but I thought I needed to mention a couple of things about the kindle edition of this book. The recipes in this collection may or may not be any good. I'll probably never know. There is little organization in place, browsing a recipe list is a hidden function and there is no logical organization of the recipes within a section. It is just a rambling mess of recipes. They are divided into "chapters" but the table of contents is accessible only by searching or paging from the cover. The arbitrary designation of something as an appetizer was my first clue to the lack of thoughtful organization. Recipes are not sequentially organized, Not all chicken recipes are together in the

appropriate section. Reading a cookbook shouldn't be HARD, it should be fun. Also, there are no pictures in the kindle version. I could have chosen this as a Kindle Unlimited selection but decided to purchase instead. That may have been a mistake. I'll do a follow-up if I try some of the recipes and let you know if they are tasty.

This book has some great recipes in it highly recommend.
