Mi Amigo Tiene El Síndrome De Down: My Friend Has Down Syndrome (Spanish-Language Edition) (Hablemos De Esto!) (Spanish Edition)

Synopsis

The sensitively written *Let's Talk About It Books* encourage preschool-age and early-grades children to explore their feelings, deal with problems that trouble them, and understand others who have problems of their own. Each title speaks to a particular concern that children might encounter in the course of growing up. All books in this series have appealing color illustrations on every page, and are available in both English and Spanish language editions. *Mi Amigo Tiene el Síndrome de Down* is the Spanish language edition of *My Friend Has Down Syndrome*. A short section at the back of each book offers related advice to parents. *My Friend Has Down Syndrome* describes a condition that affects many families. Younger children are normally puzzled when they encounter other kids who suffer from Down Syndrome. Here is a heartwarming and reassuring story of how an ordinary child comes to understand and befriend another child who has Down Syndrome.
