I bought this book for my 6 year old daughter. It is fun and she likes it. The topics it discusses leads

us to talk about things relevant to her. What i don't like is that so many of the activities are things I would never do with her at bedtime. Play dough when we are snuggled up in bed? I think not! But other than that we really like it.

I read this book with my 2 year old every night. It quickly became a welcomed routine, the Good Night, Giggles & Grace gave us a nightly activity to look forward to. The messages are positive, yet in plain english so kids can understand. I've since purchased this book for my girlfriends and their little girls. This book is perfect for all ages.

Although intended for little girls, I happily read this to my 8 year old as well. I might change the wording here or there to make it more gender neutral, but my daughter loves it when I'm just reading it to her as well. She is 6 for age reference.

My whole family just loves this book!!!!

My granddaughter loves having this read to her.

Nice

perfect for the little princess in your life. this book is much prettier in person, with glitter on the curtains and jewels in the crown! it is perfect for the princess in your house. the concepts seems perfectly geared towards the preschool and older age. I bought this as a gift and plan to buy more for personal and school use.

Has scripture, story, call to action, and a prayer. Reading this with my 5 year old is very special. Having the Bible broken down to her level and then explained into everyday life that she can relate to. Would recommend to a friend
