## Customer Reviews

Perfect

The large print makes it easy to read, and you can easily see roads/cities/rivers, etc. It is not as detailed as other maps, but it cannot be because we trade the detail for larger print.

Quality map I keep in my RV. It supplements my GPS when I'm out of the truck and sitting around

the campfire, planning the next day's route.

Good map but a tad thin, have to be careful not to rip and if you use it a lot, be prepared to tape the seams.

Maps are detailed. Very useful for motorcycle trip planning.

Easy to read-print is larger than I remember.

Great map

Good detail but not at all durable.
