Great book, my daughter is so happy this book help her a lot when preparing for SAT subject test

The right book for SAT prep.

good!!!

Have you ever thought to yourself - I might be decent at chemistry? Well, after reading this book, it knocks you down once again, making you feel like you don't know anything. However, in the long run, I definitely helped me excel.

Relevant to my subject test are very well placed and up to my expectation helping me to prepare for entrance exams in Medical University.

Very comprehensive review

Very good study guide

ok
