I Know You'll Find Me (Dangerous Affections)

Synopsis

Enjoy this fast-paced, tender romance by best-selling author Jennifer Youngblood. After a rough road, Victoria Compton's life is finally starting to fall into place. She has her own dance studio and a handsome, rich boyfriend who wants to whisk her away for the weekend to his condo in the Bahamas. Things take an unexpected turn when Victoria makes an impromptu visit to Dominic's office and witnesses a murder. Her life spirals out of control as she takes her two kids and flees New York to someplace Dominic will never think to look for her—Salt Lake City, Utah. With new identities and a cover story, Victoria and her kids try to build a new life while living in constant fear that Dominic might find them. Victoria never expects to meet Hudson Lawrence, a rough and tumble cop with piercing blue eyes and ripped muscles. She certainly doesn't plan on kissing him in the storeroom of the restaurant where she works or slapping him afterwards—twice! Sparks fly as Victoria fights against the growing attraction, fearing Hudson will discover the truth and wreck her new life. Tensions escalate as the threat of Dominic looms over them and Victoria must decide if she can trust Hudson with her secret as well as her heart. Included in this book are bonus excerpts of False Identity and Love on the Rocks.

Customer Reviews

This was hard to put down! The author immediately draws the reader into the turmoil of Victoria's life on the run, hiding to protect herself and her two children. Hudson knows she is hiding something, but can he gain her trust? The story has murder, kidnapping, stalking, and many suspenseful moments. Intense and well-written with memorable characters and plot twists.

This book pulled me in fast and did not let go! I loved the action, suspense, and romance. Would highly recommend this novel to anyone who loves romance and suspense.

I just loved this story. I loved the characters and all of the great suspense. This was another sweet, clean romance.

Always enjoy all of Jennifer Youngblood's books. I always look for her next book. She is a special author with high morals and great character.

This book like all of their other books keep you involved in the book. This book is a must read for everyone! I can not wait for the next book.

Ohmygosh--I loved Hudson! Seriously--the hot cop! Can't get much better than that! I loved the chemistry between Hudson and Victoria but I really loved how they fell in love slowly. It was perfect! Victoria had a lot to face and I admired how she dealt with some hard situations! This book will keep you turning pages!

Wow. . . just WOW!!! I loved this book so much. There was so much chemistry and love between Hudson and Tori. I loved that even though they had very painful pasts, they were willing to trust and try love again. Tori had witness a murder that had been ordered by her fiance' in New York. She had to flee with her two children and try to start a new life with new names hoping that Dominic would never be able to find her. She lived in constant fear that he would hurt her and her children so she tried to fly under everyone's radar. She had no friends (other than Zoe) or family that would miss her. If she could get far enough away from Dominic's reach, maybe they had a chance. Hudson was

a police officer in a suburb of Salt Lake City. His junior partner had been killed in an ambush less than a year earlier and he was still reeling from the guilt at not having been alert enough to prevent his death. He had recently sold his home in Murray and moved into his sister's basement with the agreement to remodel it for her. His sister's hope was that being near family and being kept busy would help to heal him. The first time he saw Tori was when his family took him out to dinner and she was their waitress. He was smitten but she gave him the cold shoulder. He couldn't forget her, though, and wanted more time with her so he devised a plan to see her again to steal a kiss . . . and got a slap across the face. As fortune would have it, Tori only lived a few houses away in his neighborhood. The more time they spent together, the more they began to trust and love each other. They were both beginning to heal. But, would Tori and her kids ever be safe from Dominic or would that monster rear his ugly head and take away all that she had worked so hard to save? This story was a clean romance with no sex, no foul language and a beautiful romance. There was violence in the story but not something that would deter me from reading this beautiful story. This is the second book I have read by this author and I will definitely be looking for more books of hers to read.

I loved this book! Unique story that gave you lots of different emotions! The author did a good job keeping you interested!
