The prolific author of more than one hundred books, Diana Palmer got her start as a newspaper reporter. A New York Times bestselling author and voted one of the top ten romance writers in America, she has a gift for telling the most sensual tales with charm and humor. Diana lives with her family in Cornelia, Georgia.

The storyline was good and mostly enjoyable. My biggest issue with this book is that isn't just "Inspired by a Diana Palmer classic, Bound by a Promise", it was that book filled out a little and with name changes. It was lazily done like when Emma told Connor her name was "Mary Kathryn"... that was the name of the heroine in Bound by a promise. Also when Emma was drawing Connor's initials in the sand "GC" for Garet Cambridge the hero in Bound by a Promise. Basically, DP just opened up her old word file from Bound by a Promise and tried to replace names and add a few chapters. Other inconsistencies that bothered me, though I admit I am nit-picking:- Connor was one of the 10 richest men in the US and possibly the world... and later stating he was a multimillionaire (in 2017, you'd have to be a billionaire)- A taxi ride that only costs \$3 - I wish! To summarize: If you have read Bound by a Promise, skip this book. If you haven't, Bound by a promise is much cheaper.

Loved the book. However I was a little disappointed that it was an old story just updated slightly with a few new names and occupations. The biggest disappointment was the cost for a kindle. I paid \$11.99 thinking it was a new book I think the cost should have been more in line with her other kindle books. But I would recommend the book. Great story.

I always enjoy DP books. This is "Bound By A Promise" taken a step farther. A notable mention : the BRIEF appearance by Cort Grier, brother of Jacobsville police chief Cash Grier, who was briefly

introduced in "Renegade". Waiting for the next book!

She just changed the damn names and the title. but its same book as bound by a promise. I spent my hard earn money on story i have already read and was excited to get new book by one my favorite authors but i was wrong. so disappointed.
