## **Customer Reviews**

Needed this to do the rules of evidence in the court. I do my own court paper, can't afford an attorney.

Comments are excellent.

Great, thanks!

It has the old and the new rules. It's helpful when considering why the rules were changed. Other than that, nothing special.

FRE comes with advisory notes, which can be helpful to analyze the rules, certain applications and

restrictions, as well congressional intent.

good

I love evidence! My favorite rule book right here.
