Jim Cymbala has been the pastor of the Brooklyn Tabernacle for more than thirty-five years. The bestselling author of *Fresh Wind*, *Fresh Fire*, he lives in New York City with his wife, Carol Cymbala, who directs the Grammy Award-winning Brooklyn Tabernacle Choir. ã ã Stephen and Amanda Sorenson are founders of Sorenson Communications and have co-written many small group curriculum guidebooks, including the entire Faith Lessons series.

Very good book as a companion to the DVD. It's a must have to make sense of the DVD, but you don't have to follow it exactly. I have tapered the group discussions to what our particular group needs. The whole series is fantastic, and is already taking us to a new level of prayer. And we are only part way through the 2nd lesson. There is so much material here. It's a 6 week study, but we are making it into at least a 12 week study. We are doing it during the Sunday School hour and need to teach the material, watch DVD, have discussion and leave time for prayer....a lot to get into the time slot. I would rate the DVD as a full 5 stars.

I purchased this for our Sunday School class and it has been tremendous. All have been touched and inspired - not only our emotions, but we have actually been praying and believing God for more! Only problem we had was that it needs way more than the hour I understood it would take - I thought I could cut out some discussssion time and make it fit in our 45 minutes, however, the teaching part and prayer story are almost a full hour and of course the most important! We are going through the teaching and then will go back and use our books for discussion and searching the scriptures. I apparently misunderstood the format! However, this is great teaching, even if we never discuss or use our books! So glad we purchased.

OUTSTANDING!!!!

I am confused because the book did not come with the DVD not any instructions on how to get/purchase it. I am using the book as a resource for a prayer small group class and it is of no real use without the DVD. Please help

great

This was pretty good. I love Jim Cymbala and so we used this for a women's small group at our church. It went along with videos for 6 weeks. I felt the guide didn't go real well with the video and the questions were redundant often. I would have liked less questions and more scripture examples.

It showed me what the transforming power of God can do .

This was required reading for Bible Study class. The DVD is necessary to get the most out of Cymbala's stories and application of the lessons
