## Customer Reviews

"An exceptionally useful inside view".--Brussels Relocation

Live & Work in Belgium, The Netherlands & Luxembourg provides a detailed survey of the opportunities for living & working in Belgium, the Netherlands & Luxembourg - from Brussels to Bergen-op-Zoom and from Antwerp to Amsterdam. Inside Section 1 - Living in Belgium, The Netherlands & Luxembourg - you will find out how to: secure a residence permit; find your ideal home; obtain a competitive mortgage; deal with surveys & conveyancing; choose a suitable school; open the right bank account; get the best health care; learn the language quickly; organize your retirement abroad; make the most of your leisure time. In Section II - Working in Belgium, The Netherlands & Luxembourg - there are full details on: finding suitable employment; submitting the correct documents; skills and trades most in demand; seasonal & temporary work; salaries, hours and holidays; trade unions and contracts; starting/buying your own business; raising the required finance; government incentives; sources of advice and assistance. This guide contains useful contacts, a regional employment guide, a directory of major employers, and personal case histories.

I like the information that is presented in this book: history, culture, jobs, relocation, business...etc. It is well presented and organized. Although the author is speaking to his British folks, it can be used for Americans just fine. The only drawback is that it is 5 years old, so I hope it is still relevant today.
