Kiss: I Wanna Rock And Roll All Night

Synopsis

"I wanna rock and roll all night" are the words that fans shout at KISS concerts. Self-proclaimed hottest band in the land, KISS rocks stadiums and albums. Their upbeat anthem Rock and Roll All Nite rocketed them to stardom. Fans can't get enough of their loud, showy, and flashy concerts. Find out about the band members and how they formed KISS, the ups and downs of some of the members, how they became a marketing machine, and where they are today.

ASIN: B00BPWIWOS

Best Sellers Rank: #54 in Books > Teens > Art, Music & Photography > Music > Rock #257 in Books > Teens > Art, Music & Photography > Music > Biographies #610 in Books > Audible Audiobooks > Children's Books > Nonfiction

Customer Reviews

Not a dirt behind the scenes book, just a layman's biography of Kiss. Something a casual fan should read if they know nothing about the band.

I'm shocked how my kids are really into my music. At first my kids started listening to a lot of classic rock, then they wanted to read about them and suddenly I got nervous. There's a lot of sex, drugs and rock & roll in the history of these bands and I don't want my 15 year old thinking that if he does drugs he'll be a rock star. I know that's a big jump, but I don't want to glorify it, or ignore it ever happened. I've found a series of books that really covers the subject nicely. I bought the Kiss title and "Pink Floyd: The Rock Band" and they are equally great. I read both books before I gave them to my kids to read. First off, even if you are fan of the bands you will find out cool information or remember things you forgot about them. Secondly they don't skirt the serious stuff. While they talk about how some band members remained drug free their whole careers, they discuss the other members who battle drug addictions. They go into detail about all of the band members and

discuss pivotal moments in their careers and lives. They discuss all of the members that have ever been in the band. They don't ignore stuff, but don't glorify things either. It gives you a realistic impression of the band and their legacy. It also gets your kid away from watching reality TV and listen to Gene Simmons the way he should be heard!
