NISEMONOGATARI, Part 2: Fake Tale

Synopsis

Originally planned to be the series' conclusion, "final" chapter "Tsukihi Phoenix" invites us back to the seemingly eventless country burg where supernatural afflictions abound and characters change their trademark hairstyles at the drop of a hat. Rest assured, dear reader, that the story continued in Japanese and will do so in translation. In the first half of *Fake Tale*, lost soul Araragi helped resolve his bigger little sister Karen's feverish run-in with a fraud. In this second half, he must attend to his littler little sister Tsukihi's issues, but not before staging the *Toothbrush Episode* that the acclaimed anime adaptation's viewers find quite memorable—whether they like to or not. As fraught with ominousness as a dark empty street, as unexpectedly full of feeling as an acid-tongued girlfriend, as sidesplittingly funny as a horny retired jock, and (maybe even) as educational as a college in the best *MONOGATARI* tradition, this volume also introduces us to "ghostbusters" Yozuru Kagenui and Yotsugi Ononoki.

Book Information

Series: *Monogatari*

Paperback: 298 pages

Publisher: Vertical (August 29, 2017)

Language: English

ISBN-10: 1942993994

Customer Reviews

Another amazing novel. Praise vertical for these in English!!

Nice to be getting the rest of these in English but the translator takes far too many liberties ruining several year old catch-phrases. Changing "Platinum Mad" to "Dagnabbit Mad" mad some sense in

the last novel, but changing "posed look" to "dashing look" is ridiculous. The translator also changes "oni no onii-chan" (devilish big brother) to "kind monster sir" completely removing the original play on words. The new phrase also makes less sense in the context of the story. This translator is not a fan of and has no connection to the series and it really shows with this awful localization. Avoid unless you are a die-hard fan and are ready for an awful translation.
