Amy Guittard is the great-great-granddaughter of the founder of the Guittard Chocolate Company and the company's marketing director. She lives in the San Francisco Bay Area. Antonis Achilleos is a New York-based food photographer whose work has been published in Food & Wine, Bon Appétit, and many cookbooks. Alice Medrich is a lauded baking instructor and award-winning cookbook author, who received her formal training at the *École Lenôtre* in France.

Saw this book on the Guittard website and borrowed the e-book from our local library. When I found myself taking screen shots of almost every recipe in the first few pages, I knew I had to purchase this book. Since our purchase, we have made 3 recipes from it. My favorite recipe is the Oatmeal

Chocolate Chip Cookie and look forward to trying the Chocolate Coconut Bread, Chocolate Berry Tart, Chocolate Banana Blondies and Hot Cocoa Madeleines soon.

This lovely book features the stories (charmingly told) behind the well-loved recipes from this venerable family-owned American chocolate maker. Loads of easy-to-follow recipes that yield delectable results. The recipes for Decadent Brownies and Grandma's Chocolate Cake are winners and more than worth the price of this book!

Beautiful book filled not just with recipes, but also a lot of useful information. The Grandmas Chocolate Cake recipe alone was worth the price of this book!

Guittard is among the best chocolate produced worldwide. Gary Guittard, and his family, continue the family tradition of high quality, delicious chocolate making with exclusive products selected from the far corners. This book is a wonderful guide to enjoying what the best restaurants and cruise lines, such as Princess, serve their guests.

basic just great chocolate ideas..it has a variety of ideas though along with the usual brownies....chocolate cooking techniques are great and in depth.... always great information

So many great recipes, and this is the only chocolate I by to make cakes, frosting, and ganache.

This collection of chocolate recipes zeroes right in on all my chocolate hot spots. I have to admit that I have a lot of chocolate cookbooks but this would be the one I'd pick if I could only keep one! It contains all the right stuff:) The photos are great and I plan on giving several copies as gifts this holiday.

Great chocolate recipes and tried the molten lava chocolate cookie, the Choco persimmon cake and the pistachio sables. I gave few to my Co workers and said they were amazing.
