Best motivational book you will ever read , don't hesitate to order, worth it's weight in gold, a must read for the burnout / or just in a slump Sunday kids worker, read it and change my attitude around, can't say enough good about the book, got three more for fellow church workers

Not what I expected This book is more of a narration on what was done than how to do it, and isn't a fit for all churches beliefs. More of a look what we did story than an idea book.If I could I would get a refund.

This book is excellent for any leader of any ministry. It really focuses on the meaning of ministry and how to put your best effort forward to making meaningful impacts on people.

Awesome! Thank you for writing this book. I'm looking forward to using it at my church. I've listened to the audible version as well; great book!

I recommend this book to anyone who is new to children's ministry or looking for some inspiration. It

will put the desire back in your heart to lead the children into the world of tomorrow.

If you work in a children's ministry, please read this book. It is great for developing a strategy, training workers, and clarifying the vision of the ministry.

Great book! Very helpful. Very real. Lots of creative ideas. It was very encouraging hearing real life stories and difficulties that others have had to persevere through.

I liked this Children's ministry book and found that it gave good tips on keeping your ministry hour interesting for kids. I would recommend it to children's ministry leaders.
