# PALEO: Paleo Diet For Rapid Weight Loss: Lose Up To 30 Lbs. In 30 Days (Paleo Diet, Paleo Diet For Weight Loss, Paleo Diet For Beginners, Diabetes Diet, Ketogenic Diet, Anti Inflammatory Diet)

## Synopsis

Discover All The Benefits of Paleo With Tonnes of Delicious Recipes!Dear Friend, Are you struggling to get rid of some weight? Are you dealing with physical fatigue and mental fog? If so, read on as we have just right information on how to apply the Paleo diet to tackle these issues successfully. So why should you choose this book? Here is why: The standard America diet is plagued with foods which are everything but nutritious. They taste delicious and look amazing, but these are all smoke and mirrors used to conceal the fact that they are indeed silent killers! These foods usually contain empty calories (contrary to what we have been made to believe), high fructose corn syrup, bad carbohydrates, trans fats and have a high glycemic index —œ awful! You may be asking yourself, —œ well if these foods are so bad, how come they are readily available? —œ Simple, such foods are highly profitable to produce and making the owners of your regular fast food chain or grocery stores very rich! But, the fast-food chains, etc. who sell these silent killers don—œt care about you or your health, they are only interested in making a quick buck. This means that you have to take ownership and responsibility for your nutrition. Remember, you shouldn—œt eat just to survive, you should eat to thrive! In this book, we provide you with some golden nuggets on nutrition and recipes based on the Paleo diet to enable you to do just that. Here are some of the key benefits you can expect from going Paleo: Rapid weight loss (up to 10 lbs in the first week) Improved digestion and intestinal health Steady replenishment of vitamins and minerals Reduction in allergens Reduction in inflammation An abundance of energy And improved mental cognition

Examine This Book For A Full 7 Days 100% Risk FREE! That—œs right! If you are not 110% satisfied, you have seven days to go to —œManage Your Kindle—œ page and ask for a complete Refund. And, it—œs easy to order! Just click the Buy Button! One more thing! We have included a free weight loss report which is only available for a limited period. Based on the feedback received, this report produces unbelievable results when combined with the book. Yours sincerely, FlatBelly Queens

## Customer Reviews

As most people do, I like to read and do research on things that I'm interested in, specially when it's health related. What I like about this book is that, it gives an introduction of what Paleo is, this way even novices like me know what we're getting into. I loved that the author made it fun and enjoyable. The tips provided are really practical so you'll be able to apply it. The recipes are simply divine and, surprisingly, easy to make.

I was always looking for some changes in my daily nutrition. After few days of practicing advices from this book i feel great. Now i think, that gluten made me more sleepy and nervous. Even my weight decreased little bit after few days. I am looking forward for the 21 days results. It looks i can achieve it. Recipes in the book are with images, it's good to see how it should looks like as the final product. All in all it's a top guide on Paleo diet topic. Thank you.

I've always wanted to lose weight and I am looking for a way to eat healthier and feel better. Finally, I realized all benefits of gluten free paleo diet. The paleo diet is low carb, and eating too many carbs is primary reason many people are overweight. High protein foods burn energy slowly, you feel fuller longer and than eat less. In this book you also can find pictures of recipes and I really like it. Highly recommended.

This author is amazing. The book has delicious recipes and is put together so well. It is easy to use

and follow and very fast for a busy schedule. Also, there's slow cooker recipes as well. It's a great fit for everyone and the healthiest lifestyle. I will recommend this book to everyone I know. I gave a 5 star review because this book is put together so well with a lot of love.

Before I read this book, I knew that this is all I need because I am too lazy to go to gym. But I cook. Not really the healthy cooking kind of way, but I cook. Reading this, I realized that I am eating the most unhealthy foods in the world. Paleo diet book made me realize my self-worth and the things I need to do. Becoming healthy is not just for yourself, but also for your loved ones.

This book is really very helpful! If you are planning to lose weight or maybe stay in shape, this book is perfect for you. This book introduces a diet plan that is based on the natural way our ancestors used to eat and stay in shape. The book discusses the basic information that a reader is eager to find. It also has recipes that will make it much more easy to start with the diet. This book has more interesting things to look forward into. Such a great buy!

kind of pricey for what I received and not what I had expected.

It's a small book with some pretty good recipes to get you started on your healthy lifestyle. I would recommend to someone who just wants to get going on it quick.
