## Customer Reviews

Absolutely wonderful and a terrific gift for the little movie fans!! The size and quality of the stickers is amazing, and they are organized in a way to be associated with specific pages so that the children can accomplish a narrowed search. Highly recommend this book!

Awesome book for the price. Sticker, story and coloring pages. My three year old love matching stickers as we read the story.

Good Book. My 4 and a half year daughter loved it. I would recommend it to other's as well.

I bought 2 for my 2 granddaughters 8 and 6 years old and they both loved it and spent hours with it.

My Granddaughter has already sent me a video of she enjoying this item.

Perfect and matched the movie....easy to use

My daughter loves this coloring book. It's great with the stickers and she can concentrate on her imagination.

This book is beautiful. The stickers are big and detailed. Can't wait to watch my 5 year old figure it all out. She loves this one the most.
