Sally Hornsey runs Plush Folly, a private cosmetic training company, specialising in a range of cosmetic-making workshops, kits, and home study courses. Sally's interest in perfume began when she managed the perfume counter for a well-known department store. Since then, her nose has taken Sally on a perfume adventure and she enjoys having beautiful aromas and fragrances woven into her life. She has blended perfumes with celebrities on the radio and on television, and worked with members of the England Rugby team to create an April Fool's spoof aftershave that actually smelled good (even though it contained essence of sweaty sock!).

Love it; very easy to follow; well documented.

I love it very well written lots of good ideas
