Customer Reviews

In addition to other works, Angelo Tropea is the author of "Pass the New York Notary Public Exam Second Edition" and its companion book, "Pass the New York Notary Exam Questions and Answers." Also: Notary Public Journal 600 Entries, and Notary Public Journal of Notarial Acts

Light weight; easy to pack with my notary items when traveling to residences to complete signings for settlement documents. Page entries are large enough for great record keeping.

It was exactly what I was looking for! It is large, but I'm able to fit all the information I need to document.

Great book for my job which entails me swearing in witnesses

Big, easy to read.

Just got my Notary License and the book is greatly detailed. Would recommend to other Notaries.

Wow very fast service. Perfect size journal and as described and priced right. Thank you!

Soft back but very resourceful! Everything you could need or notarize is in this book.

This is the best notary journal allows only two notarizations per page. It had boxes to check off for which type of ID instead of having to write everything out. Journal has a place for the credible witness to sign.
