Becoming A Young Woman Of God: An 8-Week Curriculum For Middle School Girls (Youth Specialties (Paperback))

Synopsis

Our middle school girls are told a lot about who they're supposed to be. Media and culture have a great influence over how they behave, dress, and think, and more often than not, it's not a very becoming image. For anyone who works with middle school girls, you want to help them become something more—the young women God has created them to be. *Becoming* book 1 is an eight-week study that will help young girls discover who they truly are, and help them see who they can become. Using games, activities, quizzes, projects and crafts, movie clips, music, and stories, you'll get your girls involved in a study that will help them find their true value. In this study, your small group of middle school girls will:

- know their true value and develop self-respect
- gain a godly perspective on body image and modesty
- learn to set goals and boundaries
- begin to understand their feelings
- accept who they are

Show the girls in your group that becoming a woman is about more than clothes, makeup, and boyfriends. Help them understand what it means to become a woman of God.

** After you've shown girls how to become women of God, take them to the next step. In *Becoming* book 2, they'll learn how to deal with everyday life issues like godly young women.

Jen Rawson is a junior high coach, and has a bachelor's degree in biblical literature and psychology. She's been working with junior high girls for over a decade, and is passionate about helping young girls walk the path to discovering God's plan for their lives. She currently lives in Valley Center, Kansas, with her husband, Ken, and their wonderful children.

Looks like a great book that could be easy to use EXCEPT the Kindle format doesn't allow me to print the handouts for the girls. I thought I ordered the paperback copy, but it never came in so I had to get the Kindle version to prepare for our small home group. Now it looks like I'll have to order the pb as well. (Sigh) I've been searching the internet all day and only found ONE file that shows the correct format to print and that is a "sample" so it only has one lesson. Has anyone else been able to format the file for printing?

I bought this along with other curriculums to look around and see which one was more suited for a girls lock-in. I was able to get many ideas from this study. I loved that it has games relevant to the topic and even movie clip references. I would want to use it for a girls bible study eventually. It's pretty detailed and there's very little prep. If you are afraid of teaching or are a novice, this is a great resource as it tells you exactly what to say, word for word. My only complaint is that it's marketed for middle school age, but I would have to edit some things out in order to make it age appropriate. It is perfect for high school girls.

This is a wonderful study for my girls, ages 9 and 11. A great tool for guiding them towards honoring God by honoring his ways and their bodies. I love that it is serving as bonding time as women with my daughters.

Every mother should only hope their daughters know about this gift that they carry and it is a gift . Whole series a must!

I love this book. I am using it for the 4th time with JH girls. I love how they have ice breakers, fun videos to watch, engaging activities and light homework. I highly recommend it.

This is an excellent Bible Study for young girls. We have seven girls meeting at our house every Monday after school, and they can't wait to get here. They share what is on their hearts, and it is precious to the Lord. We thank Jen Rawson every day in our Prayers for her creativity in putting this together.

We've used both books, I really enjoyed the first book!

This was exactly what I was looking for. Activities are age appropriate and the Soul Search questions are meaningful.
