Paper Fortune Tellers!: 30 Fun "Color-in" Fortune Teller Origami Cootie Catchers!

Synopsis

Want to learn how to make a fortune teller? Well then, this is the book for you! Filled with 30 fun fortune teller designs this origami fortune teller book will amaze both you and your friends! An easy to read introduction guide explains how to use each fortune telling cootie catcher. Each design is pre-printed, all you have to do is color in the designs, cut them out and fold along the pre-defined lines. Towards the end of the book are some blank templates for you to make your very own unique fortune tellers! This book is perfect for slumber parties, birthday parties, at home or even in school! Recommended for children 7+ Parental supervision must be taken when cutting out the designs!

Customer Reviews

I originally ordered this book for my kids. I really did! But when it arrived, my sister was curious and wanted to see it too. So we paged through, laughing, remembering our school days. The kids weren't home. . . so we decided we'd each go ahead and try one. We colored them with color pencils, cut and folded them, and were giggling and laughing like kids as we told each other's fortunes. So I'll have to get another one for the kids, there's no way I'm letting them have this much fun without me! I included a couple of photos of fortune tellers that we colored and folded so you can see how cool they look finished. I've ordered several books from JB Books Ltd recently and my kids have enjoyed them all!

Okay, so I'm not a kid. BUT I feel like a kid! I bought this for myself on a friend's recommendation

with the intent of coloring and assembling one a day. Today I colored three. Couldn't stop. Thankfully, there are simple instructions for assembly and I got it on the first try. I highly recommend this fun book! Kids will love it and it will keep them busy for hours. There are so many elements to color and so many possibilities. The book even includes blank forms to design your own Fortune Tellers. (We used to call them Cootie Catchers.)
