Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

This is such a great book for even beginning players. My son is in his second year and was thrilled with this book. It was a great way to get him to practice and getting him learning new material.

My dad plays saxophone every day! I gave him this for Christmas and he LOVES it! It has a nice varitey of old and new songs.

My nerdy daughter loves this book. Great price and a happy kid.

This was a gift for my daughter, and she loves it. There is a wide variety of songs, from movies, animations, shows, and plays. She wants to learn them all.

My son plays from this book often, he has been playing for 5 years. Great book for an intermediate player.

Fun easy to moderate level songs. Perfect for playing for our grandchildren while they dance or sing along with Grandpa.

Thanks

This is an amazing book filled with noticeable rhythms and fun, nostalgic tunes that will surely be a please to play at any time.
