Customer Reviews

I bought this book as a gift for someone planning a move to Maine, so will not hear her opinion until after Christmas. But I would like the book anyway, for its beautiful pictures, fine quality printing, and interesting text. I expect it will inspire my gardening relative.

Great book, lovely gardens and very inspiring....

this is a beautiful and useful book. Most photos are of mid to south coast of Maine, of areas I am familiar with. I could just sit and look over the book for hours. Nicely done!
