95HF - Sacred Settings - French Horn

Synopsis

Finally - a collection of well-known sacred hymns flexibly arranged for strings and assorted woodwinds, brass, keyboard & guitar! Featuring 24 hymns familiar to many religious denominations, traditional harmonizations closely follow those found in many hymnals so that accompanying church or community choirs is possible. Sacred settings is a collection of 24 sacred hymns arranged to be extremely versatile in meeting the needs & performance opportunities of instrumentalists. Each string instrument has the melody as well as additional harmony line. By using selected parts, a string duet, string trio, string quartet, or string ensemble is achieved. Likewise, wind & brass instruments have selected melody & harmony lines which allow additional combinations of instrumental ensembles to be organized. With the addition of the piano, or guitar, any size of ensemble can successfully perform these hymns.
