Jesus, Interrupted: Revealing The Hidden Contradictions In The Bible (And Why We Don't Know About Them)

Synopsis

The problems with the Bible that New Testament scholar Bart Ehrman discussed in his bestseller *Misquoting Jesus* and on The Daily Show with John Stewart, NPR, and Dateline NBC, among others are expanded upon exponentially in his latest book: *Jesus, Interrupted*. This New York Times bestseller reveals how books in the Bible were actually forged by later authors, and that the New Testament itself is riddled with contradictory claims about Jesus' information that scholars know but the general public does not. If you enjoy the work of Elaine Pagels, Marcus Borg, John Dominic Crossan, and John Shelby Spong, you'll find much to ponder in *Jesus, Interrupted*.

Customer Reviews

Excellent historical review. Lots of information. Highly recommended.

I always enjoy reading Bart Erhman's books. He has an easy to follow & common sense approach

to explaining, what is mostly a very complicated topic.

Bart D. Ehrman reads between the lines of what's really going on in the New Testament. Get his book the New Testament for comprehensive explanation of Jesus life.

A thoughtful biblical analysis!

Great product works great

so insightful. very nice condition and timely.

A very clear, well-researched exposition on the contradictions in the Bible and details on how the Bible came to be as it is today. Great for scholars, clergymen, and laypeople alike. I highly recommend it!

Easy to read and understand. The documentation is excellent and provides more relevant sources for further study. Unbiased interpretation of the Bible from a historical-critical approach.
