Illustrator Lars Fredriksen is a talented young artist and theologian from Denmark. Drawing from his theological background as well as frequent visits to the Holy Land, Lars brings the texts of the Bible to life with his brilliant use of color and depth. Editor Amy Welborn is a Catholic author and columnist. She has written 19 books including *Loyola Kids' Book of Saints* and *Wish You Were Here: Travels Through Loss and Hope*. Amy's articles have been published in *Our Sunday Visitor*, *Commonweal*, and *The New York Times*.

I love the pictures in this children's bible. They draw you into the story but still leave room for the

words to complete the picture in the mind. I chose it for my children ages 5 and 2. It is written as a bible rather than someone's commentary on the bible. The translation is truly catholic. For example in the story of Adam and Eve it reads, "I will put a strong festering hatred between you and the woman, between your offspring and hers. She will crush your head and you will bruise her heel." No gender neutral stuff. The language is simple enough to follow easily without being so simple that the child will not learn new vocabulary from it. Thank you Amy Welborn. My search has ended.

I purchased this for my grandson's First Communion. He loves it! When I visited on Sunday he told me he had spent over an hour reading it that morning. He loves the history and the beautiful art work. This is definitely not a 'children's Bible' but it's at a level that he can understand and not be bored! Lovely gift!!!

Our 5th grader is reading this as part of his homeschool religion along with Seton for Young Catholics.Keepsake!

Great book, the photos and description cannot do it enough justice. This is perfect bible for kids and I wish I had it when I was young!

Bought it for a gift for an older woman. She loved it. Says it is easy to read and the photos are lovely. She displays it as a coffee table book when not reading it, so good purchase for me even though I sent it sight unseen.

I love it. At first, I got one to read to my kids in my catechism class since they have never opened a bible before. The kids loved them so much that I get two every paycheck and give one away every week for those who do their homework. They tell me how much they love it. The pictures are so appealing they want to read out it. Also, my kiddos are also doing so much better in turning in their homework as well.

This is a beautifully illustrated bible that depicts characters in diverse skin tones and vivid colors for scenery and background. These illustrations bring the action and understanding of the verses. The stories are from the actual scriptures and are large print. This bible will provide many opportunities for reading to your child or for your child to read themselves.

This is a much needed and great update for this generations young Catholics. The pictures are great and the stories read really well.
