Customer Reviews

The Law School Admission Council has developed and administered the LSAT on behalf of all American Bar Association-approved law schools since 1948. Their national headquarters are located in Newtown, PA.

This book has-2 logical reasoning sections (with answer key)-1 reading comprehension section (with answer key)-1 logic game section (with answer key)-1 writing prompt (no answer key or sample answer)This is an actual test that was administered in 09/14 so this is one of the more recent exams.If you want to see how you will do on a real test, this is a good choice for you to buy.

Just what I needed. After several months of studying , I was looking for one last recent Prep Test to take before sitting for the LSAT. This product was shipped to me promptly , and feel in retrospect that it was one of the most similar-feeling practice tests I took. If you are looking for some additional practice or just a taste of what to expect for the LSAT, this would be a fine place to start.

This is the newest LSAT pretest, as of the time of this review (November 2014) The LSAT changes with time. You should definitely get the newest test, as new tests are the best indicator of what future tests will look like. Considering how important the LSAT is to your odds of admission, this book is well worth the price. You should also get the following books: LSAT 72 LSATs 62-71 LSATs 52-61 The total cost of those books + this book is around \$60-\$70. You'll get 22 of the most recent, official LSAT pretests. There is no better investment you could make towards a better LSAT score. Note that only pretests 66-73 have two pages for logic games diagrams. I recommend using only the second page for your diagrams. I've watched students draw diagrams far away from the questions, and it is surprisingly easy to lose your train of thought when you have to move your eyes across multiple pages. This test also has a comparative reading passage. Every test from 52 onwards has comparative reading. Graeme Blake Moderator of Reddit's LSAT forum p.s. At the risk of self-promotion, I've written a book of explanations for pretest 73: [LSAT Pretest 73 Explanations](#)

One of the most recent prep tests, I wouldn't go into the LSAT without taking this.

Everyone knows that you have to have the ability to print this test for optimal practice. This cannot be printed. I paid for it, but cannot print it. Ridiculous.

I actually used this for GRE prep. It helped me get over the top. Great purchase.

Exactly As described.

Everything looks great!
