Customer Reviews

I work on the flight line, and that means I cannot bring my cell phone with me. It also means I need something that can stand the test of time in my pockets. I have plenty of room on the calendar to write appointments. When I need to take notes, the right page provides plenty of room to do so. The first page allows you to write due dates for things like your passport or license. If you find yourself forgetting the little things, do yourself a favor and buy this planner. You will not regret it.

This is the best planner I have used.

I've gotten one of these every couple years and they are amazing

Who doesn't love Moleskine anything? Always worth the cost.

It is a Moleskine, that makes it a 5-star product. Good quality and easy to use. I do not have an I-phone and I do not use Outlook or any electronic calendar. It is easy to carry and does not fall out of any of my jackets or jump out of my rear pants pockets. Works well with a pen or pencil. It is a smooth product.
