Customer Reviews

This is a helpful book on Ketogenic Diet For Beginners. All of the things, tips and recipes that I need to know about Ketogenic Diet are already included and well written inside. Diana Watson has done a good job in compiling and creating this book of Ketogenic Diet For Beginners. All the recipes are healthy, delicious and easy to prepare. This book is really a great resource for those who want to learn more about Ketogenic Diet. The book is worthy of attention!

This is really nice guide for the beginners. It contains recipes that really help me lose weight. This book really helped me to understand what ketogenic diet is and what health beneficial I can get. Good thing I got this book.

Ketogenic Diet For Beginners: Simple and Fun 3 Weeks Diet Plan for the Smart by Diana Watson was a good book. There were many great tips and recipes for anyone looking at the ketogenic diet.

This is really an amazing diet book for the beginners. This is one of the only books I found that actually had a lot of helpful information. It's really works for weight loss. I can learn many things from this book. Like how can I keep myself safe while shedding those extra pounds, how my body works. All information exact and reliable. I really enjoyed this book. Well written book. Recommend to all.

This book had me at 3 weeks plan. It saved me hours tried to put one together. I enjoyed the plan as well, new recipes and ideas.

Awful!The book. Black and white with no illustrations. The recipes looked as if they were copied, pasted and reformatted. I expected more quality.

Not very useful...but ok

This book had discussed what exactly the ketogenic diet is and how it can help improved our life whether it is from weight loss or boosts some energy. The benefits of ketogenic diet are immense which makes it possible for me to start right away and have a wise lifestyle change. The 3 weeks diet plan is so easy for me to follow.
