Full size (about 8-1/2" x 11") and has maybe 30-40 pages. (No page numbers.) Each page has one or two things for that letter, starting with A at the front, as usual. The paper is a good strong weight making it easy to color on and strong enough for young children. I use it to homeschool my 7 year old daughter and this is an intro to foreign language. It is not a substitute for a proper text book, and is not meant to be. But it is an easy way to break her into French gently and in a fun way by learning a few new words.

This is a darling coloring book that I would estimate is appropriate for kids as young as 5: the pictures range in complexity in terms of how many lines and shapes there are. Some are pretty basic, but some are pretty involved. An added bonus: there are usually 2-3 pictures for each letter. I had assumed there would only be 26 pages, but there are many more. How fun!

This is so much fun to use with my girls. We go over the words on the page and then they get to color it. We keep reviewing as we add new words. Great activity to help reinforce learning a new language. Doesn't take much time but it is sticking!

This book only has 1 word per color page. It is good for helping children who are learning French identify the words with correct spelling and articles attached, but its best for a very early learner since the words are not advanced. My children (5 & 7) already knew all of the words in the book - but - it is being enjoyed for review and is helping to reinforce visual recognition of the word. A quality book - just best for beginners or review.

The book was exactly as described. I gave it as a gift and the person who received it really enjoyed the book. I would order from this company again.

I'm a French teacher and native and thought this would be a nice book for the little kids to color by learning some French. The coloring pages are really boring and the phonetic terrible and wrong! I do not recommend this product, waste of money.

Big, normal sized coloring book with great opportunities for coloring and learning. Highly recommended.

Excellent French book for children
