The Evidence-Based Practitioner: Applying Research To Meet Client Needs

Synopsis

What is the evidence? Why do you need it? How do you evaluate it? How do you use it to make decisions? Put the evidence to work for your patients. Become an effective evidence-based practitioner. Master the knowledge and clinical decision-making skills you need to provide the very best care for your clients—based on the evidence. Step by step, you'll learn how to find, read, understand, critique, and apply research evidence in practice. An access code inside new printed texts unlocks a Davis Digital eBook and interactive case studies online at DavisPlus.
