# Time For A Hug (Snuggle Time Stories)

## Synopsis

A hug feels good. Let's hug again. We'll hug at nine. We'll hug at ten. When is it time for a hug? Anytime! This feel-good story—now in the popular board book format—assures kids there's plenty of love to go around-the-clock. From the moment Little Bunny wakes up in the morning until the moon comes out and the stars shine, every hour includes a warm hug from Big Bunny. Whether they bake or build, bike or hike, a caring hug always feels just right. This is a book that is generous with love, and full of the sweetest illustrations you've ever seen.

## Customer Reviews

"[A] sweet, brief rhyming tale celebrating hugs at any hour of the day . . . . The pleasingly predictable rhyme will have preschoolers chiming in all the way to the page where the covers are pulled up. Worth a pause and may well inspire a hug or two."  Kirkus Reviews 

Phillis Gershator has written many picture books for children. Her mother, Mim Green, inspired this collaboration, and the two have also cowritten Who's Awake in Springtime? (Henry Holt), which Booklist called "A playful and inviting bedtime tale."  Phillis worked as a

Nice little book but some parts are repetative. Our 5 year old reads this and only needed help on a couple words.. Shipping was ridiculous. Ordered April 2017 received August 2017.

Super cute book! Really love the illustrations and how interactive it is. It's also a really nice size, not too small. I highly recommend!

Very cute book that my 2 year old daughter loves to read with me. She loves to hug me at the end of almost every page.

Very good book for toddlers. Its very pretty and super cute. I love reading it to my daughter and then hugging :)

One of our favorite books! Very pleased with purchasing the board-book version.

The book took forever to get here but the wait was worth it.

This book makes such a great read and is an excellent gift for children. I am always on the hunt for new books for my kiddos! This book is such a good one!! The wording and descriptions of the story are very easy to read and have adorable illustrations! The book was very well written and had a cute story line. Overall, my kids and I give this book a thumbs up!

My kids love this book so much, they actually destroyed it from reading it so often. So we are on to our second copy now. The illustrations are cute, and the book has a great rhythm to it. My daughter is extremely cuddly, so she loves hugging every time we get to a page with "TIME FOR A HUG!" on it. Just a great book all around.
