Customer Reviews

Debbie Bliss has firmly established herself as the most stylish and accessible children's knitwear designer working today. In *The Baby Knits Book*, she returns with a fabulous new collection of clothing and accessories for newborns to 3-year-olds. Presented in three chapters—Simple, Cozy, and Special—her book offers ideas for every need and occasion. Simple has plenty of adorable designs for knitting novices and those short on time; Cozy offers warm and cuddly knits that babies and young children will love to snuggle in; and Special abounds with gift ideas for knits that will be cherished for years to come. Whether you wish to create a simple baby blanket or a first cardigan, a chunky sweater or an irresistible pair of embroidered booties, *The Baby Knits Book* is a must-have collection from an outstanding designer. Debbie Bliss is one of the most popular names in knitwear; among her many successful books are *Debbie Bliss Knitting Workbook*, *Celtic Knits*, *How to Knit*, *Great Knits for Kids*, *Cotton Knits for All Seasons*, *Family Knits*, *Bright Knits for Kids*, and *Classic Knits for Kids*.

Debbie Bliss, former designer for Baby Gap, is the best-selling author more than a dozen books,

including Simply Baby, Debbie Bliss Knitting Workbook, How to Knit, and Classic Knits for Kids.

a bit too advanced for me, but I think I can learn from them. the patterns are very pretty

has a policy to return Kindle books for defective content. I did this for a full refund and am happy with the actions of . I do not recommend that you order the kindle version of this particular book. I ordered the Kindle version of this book for the Alphabet blanket pattern. The pattern does not include any of the written instructions and is missing one of the charts (there is a suspiciously blank page in the pattern). According to the other knitters on Ravelry, there is an errata page for this pattern as the printed book also has mistakes. However, the official Debbie Bliss website is down and has been for several months (again, according to other knitters on Ravelry). This was my first attempt at using a Kindle edition knitting book and I am very frustrated and disappointed. I did figure out how to make PDF files of the charts so there is one plus to using a kindle edition.

Good Condition

Arrived on time and is exactly what we ordered.

Book received in excellent condition!

I love this book from the beginning till the end. I had several options for easy and quick knits and more sophisticated as well. My two year old daughter doesn't want to wear anything else but the kimono I knitted from this book. I recommend it with all of my heart!

Great! Beautiful photos and clear instructions. Love all her books. So far.

Beautifully written and easy to understand patterns and instructions. Can't wait to start knitting for my new grand daughter. I would highly recommend this book.
