Black Butler, Vol. 3

Synopsis

Terrorizing its populace, Jack the Ripper has shaken London to its very core. But when Sebastian Michaelis, singular butler of the Phantomhive house, lays bare the madman's true identity, all that is left for him to do is eliminate the perpetrator in the name of the Queen and Phantomhive. But inhumanly efficient skills don't guarantee victory when the opponent is just as supernaturally gifted! And though Sebastian may be able to save Ciel from physical harm in the battle that ensues, will the young earl ever recover from the emotional scars it will leave on his heart?

Customer Reviews

Yana Toboso is the creator of the wildly popular series BLACK BUTLER which is currently serialized in Square Enix's magazine MONTHLY GFantasy. Her previous work was a single volume entitled RUST BLASTER.

Black Butler is a fun sort of paranormal, steampunk, alternate victorian reality romp. I really enjoy it. If you're coming to the manga from the anime, there are some character differences, and a little dissonance. The english Funimation dialog was quite good, but the manga is better with backstory, innuendo and some slapstick. I will continue to buy them, as I enjoy the series so far. The characters are quirky and often hilarious (Undertaker LOL).

This is the third volume in the Black Butler series. I have been absolutely loving this series; it is

incredibly entertaining and well drawn. This volume finishes up the Jack the Ripper storyline started in Vol 2. We also get to meet Ciel's betrothed's mother and go on a hunt. I continue to enjoy the humor and the paranormal plot in these manga. They are absolutely beautifully illustrated with a lot of attention to detail. I love Ciel and Sebastian as characters; they are fun, mysterious, and quite nice to look at. It has been fun to watch the mystery of how Sebastian ended up serving Ciel slowly unravel. Overall this is an incredibly well done manga that I am absolutely loving. I would recommend to those who enjoy historical fantasy manga with a paranormal plot.

I absolutely loved how in this arc it shows the depth of Madam Red's love for her sister and unrequited beloved; with that, it also shows the extreme jealousy of Ciel's very existence and how tragic her life has been from the moment she met Vincent. While she was one of my more favorable characters, it is understandable why Grell did what he did. She showed weakness. Something Grell thought that this one human was above, but ended up wasting his time believing in humanity and doing what he had to do to Angelina.

This was a gift for my sister and she loved it. Arrived in perfect condition.

My niece loves the book.

Grell

I ordered this volume along with nine other volumes from the same series. All of the books came to me as described, new. The condition was great; no nicks, bends or tears anywhere. The covers were shiny and free from finger prints (except my own I made during observation.) They all arrived within the estimated delivery time frame and were packaged well. 5 out of 5 stars.

Love this series
