The Law Of Light: The Aramaic Mystery

Synopsis

Yeshua (Jesus) spoke aramaic. Behind this language, an almost sensational, transpersonal psychology is hidden. A secret message, that turns central themes in the New Testament upside down. By reading Yeshuas message through aramaic eyes, new revelatory possibilities unfolds for a religious and sexual traumatized humanity. Possibilities that once and for all, will settle with centuries old conceptions of sin, and once again connect man with the heavenly spiritual source. The book contains spiritual practices based on the old mystery traditions of the Nazarenes and the Therapeuts of Alexandria. Lars Muhl is a danish mystic and musician, who have written 13 books in danish. Many of them have become spiritual classics in Scandinavia and Russia. His major work, the epic "The O Manuscript" is available in english.

If I could i would give this book a 10-Star

The depth and understanding of the Aramaic coming from this author is astounding. After studying the Aramaic for 14 years, I found this book to be absolutely penetrating in its insights.

I really loved this book it has been putting pieces of the puzzle in place for me, It is well written and

beautifully executed.

Lars is an amazing soul and like the other books stimulate you to think and feel further.....loved this book and would recommend it!

Most of it about Mary Magdalene I disagree with but the rest was okay. I gave this one to my library.

Lars Muhl, author of 'The O Manuscript' has surpassed himself with 'The Law of Light'. This is certainly his masterpiece: the teachings of Christ, a guide to a lightness of being which throws a different aspect on life and how to live it well. Like one of Jesus' apostles, Lars Muhl was given an inside into the Mysteries - the true message of Jesus and we have the privilege that he shares it with us. A book to be read and reread - an indispensable study guide to life.
